Hello DHS Alumni,

Welcome to the newly forming Delta High School Alumni Association. Our vision is to recognize and honor the “Past, Present & Future of Education” in the Delta schools. Whether you graduated many years ago or just recently, you are already a member of this special group. We encourage you to join us in our mission. Your contributions of money, time and support are greatly appreciated in our effort to get this information out about “your” alumni association. We welcome your ideas and input into our continuing efforts to help make our education system the best it can be.

With money we raise in membership, fund-raiser functions, and through donations we will honor, recognize and support the “Past, Present & Future” of education by rewarding the following: scholarships for graduating seniors at DHS, Retired Teacher of the Year Recognition, Current Teachers of the Year Recognition and recognition of past and present alumni and students. We also plan ongoing support of school projects, events and activities. We are and will continue to be a visible part of activities in and around our school and community.

As alumni, we know it is difficult to stay in touch with past classmates. The DHS Alumni Association can help alleviate this problem for you and your classes. You can fill out the membership form either online at our website (www.deltahighschoolpanthers.org) or E-mail us at (dhsalumni@deltaschools.com). Doing this will allow us to keep you informed on important events and information about the “Past, Present, & Future” of Delta High School and its graduates. On the website you will find information about classes, tips on how to get your class reunion organized, and pages of other helpful and interesting items. You may choose to be a Webmaster for your class.

Also, there is information on the website that will show you how to help move this organization forward. We need your help in contacting and passing the word to any and all alumni of Delta High School. Through your efforts to spread the word we will get members like yourselves to send in their information to help us build the association.

By honoring and recognizing the students, teachers, and administrators (past and present) of the Delta schools we can give back to our education system which is largely responsible for many of the successes in our lives. Again, you are already a member of this special group. The DHS Alumni Association is **YOU!** So don't hesitate, fill in the membership form to join us in our mission to bring together the **“Past, Present & Future of Education”**.

Cordially,
Dwain L Bush (DHS class of 1978),
President of the DHS Alumni Association
